(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply)

In response to the Notice of Abandonment dated April 16, 2007 (a copy of which is attached hereto) holding that the above-identified application was abandoned for failure to pay the Issue Fee and Publication Fee, Applicant petitions for a revival of the above-identified application for unavoidable abandonment. The Notice of Allowance dated November 17, 2006, was addressed to Kenyon & Kenyon's DC Office address but was never received at that address. This was verified by reviewing the incoming PTO mail log. In support of this petition, Applicant refers to the incoming PTO mail log dated November 17-24, 2006; a redacted copy of which is also attached hereto as Exhibit A. The columns reflecting "Client" and "Appln No." have been redacted to protect the confidentiality of correspondence received for entities other than Intel Corporation, the assignee/client for the present application. Since the Notice of Allowance was not received, Applicant's failure to pay the issue fee was unavoidable.

The Commissioner is also authorized to charge any other fees that may be required for the filing of this paper to Deposit Account No. 11-0600.

(Please attach additional sheets if additional space is needed.)
